TAKING COLLEGE LEVEL COURSES?

Explore the needed technology skills for college and online learning.

Take a Digital Skills Assessment through the Testing Office, (3-217) and obtain learning modules for Computer Basics, Microsoft Word, Internet & the Cloud, Email Functions, etc. Sign up at testing@rcc.mass.edu or call 857-701-1400.

If you find that you score below 85% or that you need more support with technology and computers, join the **Digital Skills Learning Community** and participate in multiple ways:

- **Self-Directed Modules**
- **One-on-One Tutoring**
- **Workshop Series**
