POLICY

The Commissioner of the Board of Higher Education, subject to the approval of the Board of Higher Education, may make, and from time to time amend, personnel policies covering all groups of the Community College employees. This policy has been developed by the Massachusetts Community Colleges and the Board of Higher Education, pursuant to their respective authorities established at Massachusetts General Laws, Chapter 15A, Sections 9 and 22.

Effective October 11, 2023, this Non-Unit Professionals Personnel Policies Handbook shall replace the Handbook previously approved and dated July 1, 2016 and shall remain in full force and effect until a successor Handbook is approved.

PREAMBLE

This policy for Non-Unit Professional employees supersedes all prior applicable policies and procedures adopted by the Massachusetts Board of Higher Education inclusive of the fifteen Community Colleges and shall apply in full force and effect to all new and current employees within the Massachusetts Community College System. Board of Higher Education policies not covered in this Handbook shall remain in effect.

The rights afforded herein shall be construed to be in addition to those rights secured by State and Federal laws and regulations.

This policy shall be applied by the President to govern employment conditions of Non-Unit Professional employees, as defined herein.

CHAPTER I - FAIR PRACTICES

1.01 The Massachusetts Community Colleges recognize and affirm their commitment to the policy of non-discrimination with regard to race, color, religion, national origin, sex, sexual orientation, gender identity, age, genetic information, disability, or veteran status, pursuant to applicable state and federal laws. The Massachusetts Community Colleges recognize that when employment practices, regardless of intent, discriminate against any group of people on the basis of race, color, religion, national origin, sex, sexual orientation, gender identity, age, genetic information, disability or veteran status, specific positive and aggressive measures must be taken to redress the effects of past discrimination, to eliminate present and future discrimination, and to ensure non-discriminatory practices in all employment-related decisions

1.02 The policies and procedures stated herein shall be applied in conformance with the Board of Higher Education's policies on Affirmative Action, as it shall, from time to time, adopt.

1.03 Non-Unit Professional employees must be particularly sensitive to the problem of sexual harassment which may appear in subtle as well as aggressive forms. Using one's position or authority to coerce sexual favors, make unwelcome advances, or demeaning or suggestive remarks is unethical and, in many instances, illegal. Employees must not only guard against such conduct but should also make an effort to educate subordinates with regard to sexual harassment and protect employees, students and others from it. Complaints of sexual harassment are appropriately brought under the Board of Higher Education Massachusetts Community Colleges Policy on Affirmative Action, Equal Opportunity & Diversity.

1.04 Non-Unit Professional employees are subject to the Massachusetts State Ethics laws, codified at Massachusetts General Laws, Chapter 268A, including but not limited to that Non-Unit Professional employees will avoid outside employment or affiliations which are incompatible with their respective positions and the basic philosophy of the College and will not act on College matters on the basis of personal interest or divulge confidential information to unauthorized persons.

CHAPTER III - APPOINTMENT AND DISCONTINUATION OF APPOINTMENT

3.01 Duties and Responsibilities

A. In accepting an appointment under this policy, it shall be understood that a Non-Unit Professional will assume an obligation to be acquainted fully with the philosophy, purposes, and objectives of the College. The appointee shall agree without reservation to maintain a high level of performance, continue professional development and carry out effectively other assigned duties.

B. All Non-Unit Professional appointments and discontinuation of appointments shall be made in accordance with policies and procedures in effect at the respective College.

3.02 Appointment to Non-Unit Professional Positions

A. Notification of appointments shall be in writing and shall state the terms and conditions of the appointment, provided that terms and conditions contained in generally applicable policies and rules need not be stated other than by reference (APPENDIX B). Upon appointment the President shall state in writing whether the policies stated herein shall apply to said individual.

B. All appointments shall include only a starting date with no terminal date. Therefore, all appointments shall be deemed to be an appointment of the individual to serve at the pleasure of the President and in all respects the individual shall be considered an at-will employee.

C. A Non-Unit Professional shall be deemed a probationary employee for the first twelve (12) months of employment in any Non-Unit Professional position.

D. Each Non-Unit Professional shall notify the President in writing of their intent to accept or reject a tendered appointment within five (5) days of the notice of appointment unless extended in writing by the President. Failure of a Non-Unit Professional to meet the written deadline shall constitute a rejection of the tendered appointment.

E. A Non-Unit Professional may be appointed in writing by the President to a position in an acting or interim capacity for a period ordinarily not to exceed one (1) year (Appendix C). While serving in an acting or interim capacity, a Non-Unit Professional shall have no rights under this Chapter for that position and if returning to their prior position will have no rights to continuation of the salary of the temporary interim or acting position held.

F. Vacant positions may be advertised at the discretion of the President. A President may appoint, promote or transfer a Non-Unit Professional to a vacant position with or without a search pursuant to statutory authority established at Massachusetts General Laws, Chapter 15A, Section 22.

3.03 Discontinuation of Appointment

Discontinuation of Appointment occurs when a Non-Unit Professional's employment with the College ends due to circumstances other than retrenchment or termination, including but not limited to, when an employee fails to professionally and/or effectively perform their job duties. All Non-Unit Professionals are at-will employees who serve at the pleasure of the President. As such, the President may discontinue the appointment of a Non-Unit Professional as follows.

A. Reasons for Discontinuation of Appointment

Discontinuation of Appointment decisions shall be regarded as an exercise of professional judgment. The President may review the Non-Unit Professional's job description, personnel file, evaluations, among other documentation, as applicable, when making their decision. A Discontinuation of Appointment decision in a year other than the probationary year is subject to Chapters XV and XVI.

Where Discontinuation of Appointment occurs beyond the probationary period, the Non-Unit Professional shall be notified in writing of the reason(s) for the College's decision. Although not obligated to do so, the College may notify the Non-Unit Professional of the reason(s) for Discontinuation of Appointment during their probationary period.

B. Notice of Discontinuation of Appointment

Each Non-Unit Professional shall be entitled to notice of the College's decision to discontinue an appointment in accordance with the following schedule:

1. During the first twelve (12) months of employment (probationary period), no notice is required prior to the effective date of Discontinuation of Appointment;
2. During the second year in the position, one (1) month of notice prior to the effective date of Discontinuation of Appointment;
3. During the third year in the position, two (2) months of notice prior to the effective date of Discontinuation of Appointment;
4. During the fourth year in the position, three (3) months of notice prior to the effective date of Discontinuation of Appointment; and
5. Where a Non-Unit Professional is beyond their fourth year of employment in a particular position, six (6) months of notice prior to the effective date of Discontinuation of Appointment.

Nothing in this section, prohibits or requires the College from providing more than the minimally-required notice.

In lieu of granting the whole or any part of the notice described above, the College, in the President's sole discretion, may:

- a) place the Non-Unit Professional on paid administrative leave for any or all of the notice period required under this Chapter; or
- b) pay to such employee, in a lump sum, an amount equal to one hundred percent (100%) of their salary for the period by which the notice is foreshortened.

6.04 Board of Higher Education's Liability

CHAPTER VII - LEAVE CHAPTER

7.01 Sick Leave

A. Sick leave credit shall begin with the first full hour of employment, and accumulate at an hourly rate. Twelve (12) month employees shall be entitled to 112.5 hours (fifteen (15) days) of sick leave for each year of service; ten (10) month employees shall be entitled to 93.75 hours (twelve and one-half (12 1/2) days) for each year of service. For part-time employees (half-time or more), sick leave credits shall accumulate in the same proportion that employee's service bears to full-time service.

The employee shall accumulate at the rate of 0.057692 hours of sick leave per hour of employment [one and one-quarter (1 1/4) days of sick leave for each month of employment].

B. Sick leave not used in any year may be accumulated. No persons shall be entitled to a leave of absence with pay on account of sickness in excess of the accumulated sick leave then due except as provided in 7.02 (Sick Leave Bank) and/or applicable state and federal law

C. Sick leave shall be granted in minimum units at the discretion of Human Resources, as the President's Designee, to an employee only under the following conditions and in consideration of applicable state and federal laws:

1. When an employee cannot perform their duties because they are incapacitated by personal injury or illness;
2. When the spouse, child, or parent of either an employee or their spouse, or a relative living in the immediate household of an employee, is incapacitated by personal injury or illness, the employee may utilize sick leave credits concurrent with and subject to the timeframes of federal and state statutory family and medical leave as applicable;
3. When, through exposure to contagious disease, the presence of the employee at their work location would jeopardize the health of others;
4. To keep appointments with health care professionals. In such instances the normal requirement of advance notice will be at least five (5) working days. However, the parties recognize that an unforeseen complication may arise from a regularly scheduled appointment with such a health care professional;
5. When the employee is on approved job-protected federal or state leave (ex. FMLA, PFML, Parental Leave) and not receiving other forms of required income replacement (ex. PFMLA wage replacement benefits, Worker's Compensation benefits).

D. For any period of absence utilizing sick leave, Human Resources, as the President's Designee, may require a physician's certificate proving the necessity of such absence. If an employee fails to present such medical evidence within seven (7) working days after such request has been made by the College, the President may at the discretion of the President treat the absences as absences without pay. Unauthorized absences may result in employment actions, up to and including, discipline, termination, or Discontinuation of Appointment.

E. Human Resources, as the President's Designee, may require that an employee be examined by a physician of the employee's choosing and at the employee's expense following absence by reason of personal illness or injury

for more than 37.5 consecutive hours (five (5) consecutive working days). The sole purpose of such examination shall be to determine the employee's fitness to return to their regularly assigned duties.

Human Resources, as the President's Designee, may also require that an employee absent by reason of illness or injury more than 37.5 consecutive hours (five (5)) consecutive working days) provide Human Resources, as the President's Designee, reasonable notice of their intent to return.

This section does not preclude Human Resources, as the President's Designee, from requesting satisfactory medical documentation indicating that the employee is able to return to work and perform the essential functions of their position with or without reasonable accommodation (Fitness for Duty Certification) and/or written notice of intent to return at other times, including where leave has been less than 37.5 consecutive hours (ex. intermittent leave).

F. Sick Leave must be charged against unused sick leave credits in the minimum units allowed by college attendance procedures, but in no event may the sick leave credits used be less than the actual time off.

G. Any employee having no sick leave credits, who is absent due to illness, shall be placed, unless otherwise notified by the employee, on personal leave or if no personal leave credits, then on vacation leave. Such leave shall be charged on the same basis as provided in subsection (F).

H. Any employee who is reinstated or re-employed after an absence of less than three (3) years shall be credited with their sick leave credits at the termination of their prior employment. An employee who is reinstated or re-employed after a period of three (3) years or more shall receive prior sick leave credits, if approved by the President, where such absence was caused by:

1. Illness of said employee;
2. Dismissal through no fault or delinquency attributable solely to said employee;
3. Injury while in the employment of the College in the line of duty and for which said employee would be entitled to receive Workers' Compensation Benefits.

I. An employee shall not accrue sick leave credits for any period in which they were on leave without pay or absent without pay.

J. Notification of absences under this Chapter must be given to the designated representative of the President as early as possible on the first day of absence and in conformance with College attendance procedures. If such notification is not made, such absence(s) may, at the discretion of the President, be considered an absence(s) without pay.

K. No employee shall be entitled to sick leave under the provisions of this Chapter in excess of the accumulated sick leave credits due such employee, excluding sick leave bank provisions.

L. Employees whose service with the College is terminated shall not be entitled to any compensation in lieu of accumulated sick leave credits. Employees who retire shall be paid twenty percent (20%) of the value of their unused accrued sick leave based on the date of their retirement subject to confirmation by the State Retirement Board. It is understood that any such payment will not change the employee's pension benefits. If, at the time of death of an employee, said employee was eligible to retire and receive a pension from the Commonwealth, then the surviving beneficiary, or beneficiaries, if any, lawfully designated under the State Employees' Retirement System, or the Optional Retirement Program, or if there are no such designated beneficiary, the estate of the deceased employee shall be paid twenty percent (20%) of the value of unused accumulated sick leave to the

deceased employee's credit at the time of death, provided that no monetary or other allowance has already been made therefore. It is understood that any such payment will not change the employee's pension benefits.

M. Sick leave credits earned by an employee following a return to duty after a leave without pay or absence without pay shall not be applied to such period of time.

N. In calculating the daily rate of pay of any employee, the following formulas shall be used:

- (i) in the case of any Non-Unit Professional whose work year is of a ten (10) month duration, the daily rate of pay shall be an amount equal to 1/215th of such employee's annual salary rate as such annual salary rate is on the date on which or in respect of which such calculation is required to be made;
- (ii) in the case of any Non-Unit Professional whose work year is of twelve (12) months' duration, the daily rate of pay shall be an amount equal to 1/260th of such employee's annual salary rate as such annual salary rate is on the date on which or in respect of which such calculation is required to be made.

7.02 Sick Leave Bank

A. At each College there shall be established, or where currently established continued, a Non-Unit Sick Leave Bank.

B. An employee who is not a member of the Sick Leave Bank will automatically become so during the month of October. Seven and one-half hours (7.5 hours) of their sick leave accumulation will be assigned to the Sick Leave Bank. If an employee does not want to be a member of the Sick Leave Bank, that employee shall provide by October 30 written notice to the President that the employee is not assigning to the Sick Leave Bank seven and one-half hours (7.5 hours) of that employee's personal sick leave accumulation. The President shall maintain a register of the membership and the number of sick leave days accumulated in the Bank. Once contributed to the Bank, sick leave day(s) may not be withdrawn.

C. Whenever the accumulation of sick leave days in the Sick Leave Bank has fallen below one hundred and eighty-seven and a half hours (187.5 hours), the President shall notify all members. Thereafter, seven and one-half hours (7.5 hours) from each member's accumulated sick leave shall be assigned to the Bank unless a member notifies the President in writing within five (5) days of receipt of said notice that the employee does not wish to remain a member.

D. Five (5) working days following the exhaustion of a Sick Leave Bank member's accrued vacation, personal, and sick leave, the member of the Sick Leave Bank shall be entitled to draw upon the Sick Leave Bank, effective thereafter upon notice to the President. The granting of such sick leave shall be subject to the same criteria as regular sick leave days and shall be in all other respects consistent with College policy and applicable state and federal laws; provided, however, that such sick leave bank shall be available only for the illness of the employee and not for the illness of the employee's family members and only for employees who have completed three (3) consecutive months of their appointment.

E. Use of the Sick Leave Bank shall not be indefinite. No Non-Unit Professional may draw upon the Sick Leave Bank in excess of the number of days to which that Non-Unit Professional is entitled as determined by College policy and/or protocols. Each College has the right and discretion to establish policies and/or protocols regarding access to, and use of, the Sick Leave Bank. Any use of the Sick Leave Bank shall run concurrently with other qualifying leaves, as applicable, including FMLA/PFML.

7.03 Paid Personal Leave

Each full-time Non-Unit Professional on the payroll on the effective date of this Handbook shall be allotted thirty-seven and one-half hours (37.5) (five days) of personal leave each calendar year beginning January 1st of each year.

Full-time Non-Unit Professionals hired during the calendar year will be allotted personal leave hours for the first calendar year in accordance with the following schedule:

Personal Leave

<u>Date of Hire</u>	<u>Hours Credited</u>
<u>Beginning of Calendar Year:</u>	
January 1 - March 30:	30
April 1-June 30:	22.5
July 1 - September 30:	15
October 1 - End of Calendar Year:	0

Each regular part-time Non-Unit Professional on the payroll on the effective date of this Handbook shall be allotted pro-rated personal leave based on thirty-seven and one-half hours (37.5) (five days) each calendar year beginning January 1st of each year.

Paid personal leave shall not accrue from year to year and any paid personal leave not taken by the last day of a calendar year will be forfeited by the employee. Personal leave may be available in units allowed by college attendance reporting procedures and may be used in conjunction with vacation leave. All requests for personal leave must be made in advance and approved by the Non-Unit Professional's supervisor.

7.04 Bereavement Leave

In the event of the death of a spouse or child (including foster child or step-child), an employee shall be entitled to a maximum of seven (7) days of leave without loss of pay.

In the event of the death of a parent (including step parent and in-law), brother (including step-brother), sister (including step-sister and sister-in law), grandparent, grandchild, son-in law, daughter-in-law, or person permanently residing in the immediate household, an employee shall be entitled to leave without loss of pay for a maximum of four (4) consecutive working days.

In the event of the death of an employee's aunt, uncle, or cousin, one (1) day of paid bereavement leave shall be granted.

Bereavement leave may be granted by the College and used at the option of the employee within thirty (30) calendar days from the date of said death. In the event that the interment of, or memorial service for, any of the above-named relatives is to occur at a time beyond the bereavement leave granted, the employee may request to defer one or more of the days to the later date. Such request shall be made at the time of notification to the President of the death of one of the above-named relatives, and may be granted at the discretion of the President. The College may require satisfactory documentation supporting requests for bereavement leave.

7.05 Voting Leave

An employee whose hours of work preclude them from voting in a town, city, state, or national election shall upon application be granted a voting leave with pay not to exceed two (2) hours for the sole purpose of voting.

7.06 Civic Duty Leave

A. Employees summoned for jury duty will be granted a leave of absence with pay for time lost from their regular work schedule while on said jury duty upon presentation of the appropriate summons to the department head by the employee.

B. An employee who receives jury fees for jury service, upon presentation of the appropriate court certificate of service, shall either:

1. retain such jury fees in lieu of pay for the period of jury service, if the jury fees exceed their regular rate of compensation for the period involved; or
2. remit to the College the jury fees, if less than their regular rate of compensation, for the period involved.

C. Jury fees for the purpose of this Chapter shall be the per diem rate paid for jury duty by the Court, not including the expenses reimbursed for travel, meals, rooms or incidentals.

D. An employee summoned as a witness in a court on behalf of the Commonwealth or any town, city or county of the Commonwealth or on behalf of the federal government shall be granted court leave with pay upon filing of the appropriate notice of service with their department head, except this section shall not apply to an employee who is also in the employ of any town, city or county of the Commonwealth or in the employ of the federal government or any private employee and who is summoned on a matter arising from that employment.

E. All fees for court services, except jury fees paid for services rendered during office hours, must be paid to the Commonwealth.
