## FACT SHEET

2008-2010

### Mission Statement

The primary mission of Roxbury Community College is to facilitate the success of our students in achieving their educational goals. RCC is a comprehensive, multicultural, urban, student-centered, and open-access community college, providing learning opportunities for all who may benefit. The College serves the educational needs of Roxbury, surrounding communities, and other diverse populations in the Commonwealth. We believe that all students, given the appropriate resources, have the ability to reach their full potential. The College is therefore committed to helping our students enhance the quality of their lives and our communities.

Roxbury Community College offers quality post-secondary education in developmental academic skills, the liberal arts and sciences, career and transfer programs, workforce development, and private and public sector training. RCC grants associate degrees and certificates, affording its students a solid foundation for college transfer, employment, professional advancement, and life-long learning.

### RCC Core Values

**Honesty and integrity** are embedded in all the core values, and all values contribute to student success.

### Educational Excellence

We believe in offering responsive pedagogy and curriculum with academic and administrative support to assist students in meeting their personal, civic, and educational goals. As a means to achieve educational excellence, we value the unique contribution each employee makes to student success.

### Respect

We believe that every member of the College community, whatever their affiliation with RCC, is responsible for treating others with respect and civility and for appreciating the contribution and inherent value of each person.

### Accountability

We value transparency in all our interactions, data driven decision making, access to accurate information, and holding people accountable for their actions.

### Inclusiveness

We value open access and inclusive policies. We invite an open exchange of ideas from all members of the campus and the many communities we serve.
