INCLEMENT WEATHER AND EMERGENCY CLOSING POLICY

The College will be closed only when the President or the President's Designee issues a public announcement on the radio, television, and College website. Although RCC may close when Boston Public Schools (BPS) close because of inclement weather, the College has no direct affiliation with BPS and, therefore, College personnel should only pay heed to announcements that reference Roxbury Community College.

As a standard practice, the College will make its daily closing decision on or before 6:00 a.m., but will make every reasonable effort to provide as much advance notice as possible. Please tune to local media, their websites and/or the College website for the latest RCC closing information.

-Closing decisions for Saturday classes will be made on or before 6:00 a.m. Saturday. Please tune to local media, their websites and/or the College website for the latest RCC closing information.

-During finals week in December, should weather conditions warrant closing, the College will make its decision and announce it via the local media and the College's website on or before 6:00 a.m. daily.

-Same day closing decisions, under highly unusual circumstances, will be announced through RCC e-mail, the RCC website, and via the local media and their websites.

This announcement supersedes any prior announcement or policy, and has immediate effect.
