

PUBLIC SAFETY BULLETIN

On Tuesday, August 22, 2023, RCC Public Safety Officers reported gunshots fired in Parking Lot 2. A description of the vehicle involved was broadcast via radio and BPD stopped the vehicle on Cedar Street. No persons were injured and the suspect was arrested.

RCC Public Safety, along with our public safety partners, the Boston and State Police, are stepping up patrols of the parking lots.

All staff, faculty, students, and guests of RCC are reminded to be aware of their surroundings, especially as you come and go from campus. Stay in well populated and well-lit areas as much as possible. If you become aware of anything suspicious contact Public Safety right away. We provide escorts throughout the campus and parking lots upon request.
