

CANNABIS AND THE LAW

All in person courses require Covid-19 vaccination

LEARN ABOUT THE LAW WITHIN THE CANNABIS INDUSTRY!

This course is a 7 hour seminar that provides a brief overview of the status of cannabis use prior to federal prohibition, during the Federal War on Drugs, and subsequent to the efforts of various states to decriminalize small quantity possessions and to legalize either medical or adult use of cannabis. We will also have a detailed discussion of the law and regulations governing cannabis in the Commonwealth of Massachusetts. This course is recommended for those who own or are interested in owning a cannabis related business.

*This course will be in-person.
